

Aardvark Graphic Solutions has been a leader in the digital graphics industry since 1997, producing the highest quality graphic products with an extreme attention to color and detail. After acquiring the CellEx™ product and crew from Grand Visuals, Aardvark Graphic Solutions has applied its expertise in display graphics and focused on permanent installation graphics like Vandal resistant, graffiti proof and marine grade signage, Murals, Table Tops, Graphic Flooring and Exhibit Displays, and now with a new name that reflects the outstanding durability of Rhino Graphic Panels.

Below is a partial list of clients that have completed Rhino (CellEx) projects with Aardvark Graphic Solutions and Grand Visuals.
