Client Proof Review and Approval

Client (Job) Name: _____
Client Contact: _____
Aardvark /Rhino Contact: _____

Aardvark Rhino Job #: _____
Proof Date: _____

YOUR RHINO PANELS WILL BE READY FOR SHIPMENT 14 BUSINESS DAYS AFTER PROOF APPROVAL (if less than 400 sq. ft.)

Please review the proof thoroughly and indicate any corrections or changes on the proof.

Approved as is **Approved with Corrections** **New Proof Required**

Any file alterations you specify on this proof may be outside the original specifications and may be subject to additional charges.

This is the last step prior to printing! Changes made after this step will be costly and cause delays to the project, review your proofs with care.

After your review of this proof, the corrections indicated will be made prior to final printing. We will notify you if any changes you have specified will result in additional charges. If a new proof is required we will make the corrections and get it on it's way to you as soon as we can fit it in. Your new proof will usually be on it's way in 24-48 hours. Your final production schedule will be verified when you approve the proofs for production.

Thank you for your help with completing this proofing process, your input insures a successful project!
