Rhino Panels Warranty

Terms: Rhino Panels Carry a 10-Year Warranty against de-lamination, fading and material degradation as defined below. All graphics must be installed as required in the installation document. Any panels not installed according to those specifications will not be under warranty.

De-lamination:

Separation of the fused graphic from the face and back materials

Fading:

Discoloring and or Decrease in color saturation. (>20% over 10yrs)

Material Degradation:

Modeling, cracking and/or deformed material due to natural weathering or OEM material and fabrication imperfections.

Aardvark Graphic Solutions will repair or replace, at its option, Rhino graphic panels that are found to be defective for any of the three reasons mentioned above, for a period of 120 months; Starting on the date of shipment to the customer. Aardvark Graphic Solutions will re-fabricate and ship replacement panels at its expense. No material may be returned without prior authorization from the manufacturer. The liability of the manufacturer is limited to the repair or replacement of the Rhino graphic panel. The manufacturer shall not be liable for any other damages direct or indirect, sustained or suffered by the purchaser or any other person; including the cost of removal and/or re-installation, damages or failure of the material due to installation done by others. Claims resulting from improper display methods, misuse, willful destruction, or an act of god will not be allowed.

This warranty is in place above all other warranties expressed or implied for the term of the existence of the manufacturer as a business entity. Seller does not warrant as to the merchant ability or fitness for a particular use, nor will any oral statement constitute a warranty or amend this specific warranty.
